SUGGESTED FEEDBACK

- Where do you feel safe riding bikes?
- Where do you not feel safe?
- What destinations would you like to walk or bike to?
- Are there any sidewalks or pedestrian paths that you find difficult to navigate?
- Are there any places you would like to be able to walk to?
- What improvements would make you more likely to use biking or walking as your primary mode of transportation?
- Have you noticed any areas that are particularly prone to flooding during heavy rains?
- Are there any specific spots where you think drainage improvements are necessary?
